Artist

👤 PROFILE

Passionate, emerging visual artist focused on developing a unique personal aesthetic and marketable trademark in the visual arts arena.

Driven artist with talents in, painting, color theory, sketch and design. Received recognition for producing murals and high quality work. Innovative, resourceful and enthusiastic. Able to work independently or as a part of a team. Capable of performing superior work under pressure of rigid deadlines, including individual works that are placed on display or sale. Proficient at leading groups in workshops and communal art activities which help build strength among participants as well as within the brand and following of my artistic practice
